

ACADEMIC REGULATIONS 2023

Bachelor of Technology (B.Tech) Programmes

Approved by the Academic Council of XYZ Institute of Technology

Document No.	XIT/AC/REG/2023
Version	v1
Date of issue	15 June 2023
Effective from	Academic year 2023-24
Issued by	Office of the Dean Academics
Applicable to	All B.Tech students of CSE, ECE, EEE and Mechanical Engineering

1. Short title and applicability

1.1 These regulations shall be called the XYZ Institute of Technology Academic Regulations 2023.

1.2 These regulations apply to all B.Tech students of the Institute from the academic year 2023-24 and replace Academic Regulations 2020.

2. Definitions

- (a) **Academic year** means a period of two consecutive semesters, odd and even.
- (b) **Semester** means a period of study consisting of instructional days, examinations and vacation.
- (c) **Credit** means a unit of academic work: one lecture hour per week is one credit and two laboratory hours per week are one credit.
- (d) **Principal** means the Principal of the Institute and **HoD** means the Head of the concerned Department.

3. Programme structure

3.1 The B.Tech programme is of four academic years divided into eight semesters.

3.2 A student must earn a total of **160 credits** to be eligible for the award of the degree.

3.3 Each semester shall have a minimum of **90 instructional days**, excluding days of examinations.

3.4 A student must complete the programme within a maximum of **8 years** from the date of admission.

3.5 The credit distribution across the four years is given below.

Academic year	Semesters	Credits
First year	I and II	38
Second year	III and IV	42
Third year	V and VI	42
Fourth year	VII and VIII	38
Total	Eight semesters	160

3.6 The programme is offered in the departments of Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), Electrical and Electronics Engineering (EEE) and Mechanical Engineering (ME).

3.7 Two mid examinations shall be conducted in every semester as per the academic calendar published by the Institute.

4. Attendance requirements

4.1 A student shall be eligible to appear for the semester-end examinations only if the student has a minimum of **75% attendance** in aggregate of all courses (theory and laboratory) held during the semester.

4.2 **Condonation of shortage.** Attendance shortage in the range of 65% and below 75% may be condoned by the Principal on the recommendation of the HoD, on valid medical or genuine grounds supported by documentary evidence. A condonation fee of **Rs. 500 per semester** shall be paid.

4.3 Students whose attendance is below 65% shall be detained and shall not be permitted to appear for the semester-end examinations. Such students shall repeat the semester.

4.4 The attendance shortage list shall be displayed on the notice board at least 7 days before the commencement of the semester-end examinations.

4.5 Attendance shall be computed on the basis of the classes actually held, including theory, laboratory and tutorial sessions.

5. Evaluation and grading

5.1 Every theory course is evaluated for 100 marks, distributed as **40 marks internal and 60 marks external**.

5.2 The internal marks are awarded on the **average of the two mid examinations** conducted in the semester.

5.3 To pass a theory course a student must secure at least **40% in the external examination** and at least 40% in aggregate of internal and external marks.

5.4 Grades and grade points are awarded on the following scale.

Marks range	Grade	Grade points
90 to 100	O (Outstanding)	10
80 to 89	A+	9
70 to 79	A	8
60 to 69	B+	7
50 to 59	B	6
40 to 49	C	5
Below 40	F (Fail)	0
Absent	Ab	0

5.5 The Semester Grade Point Average (SGPA) is the sum of (credits x grade points) divided by the total credits registered in that semester. The Cumulative Grade Point Average (CGPA) is computed over all semesters.

6. Promotion, supplementary examinations and award of degree

6.1 To be promoted from the second year to the third year (Semester V), a student must have earned at least **50% of the credits** prescribed up to the second year.

6.2 A student who fails in a course may appear in the supplementary examinations conducted by the Institute. The supplementary examination fee is **Rs. 800 per subject**.

6.3 A student may reappear to improve a grade only in the immediately following supplementary examination.

6.4 The degree shall be awarded to a student who has earned 160 credits and secured a CGPA of at least **5.0**.

6.5 Classification: First Class with Distinction requires a CGPA of 7.5 or above without any backlog; First Class requires a CGPA of 6.5 or above.

7. Examination discipline and malpractice

7.1 Every candidate must carry the hall ticket and the Institute identity card to the examination hall.

7.2 **Mobile phones.** A mobile phone found switched on in the examination hall shall be treated as malpractice. A mobile phone found switched off shall attract a **written warning** and shall be deposited with the invigilator.

7.3 Penalties for malpractice:

- (a) **First offence:** cancellation of the examination of that course.
- (b) **Second offence:** cancellation of all examinations of that semester.
- (c) Impersonation or any serious offence: expulsion from the Institute.

8. Interpretation and effect

8.1 In case of any doubt in the interpretation of these regulations, the decision of the Principal shall be final.

8.2 These regulations come into force from the academic year 2023-24 and supersede Academic Regulations 2020.

Dr. S. Venkata Rao, Dean Academics	Dr. K. Ramesh Babu, Principal
