

CIRCULAR

Department of Computer Science and Engineering

Reference No.	XIT/CSE/CIR/2026/07
Date	20 January 2026
From	Head of the Department, CSE (Dr. P. Anitha)
To	All CSE students (II, III and IV year) and faculty
Subject	Attendance and laboratory policy for the even semester 2025-26

1. Laboratory attendance

1.1 In addition to the Institute-wide aggregate attendance requirement under Academic Regulations 2025, every CSE student must maintain a minimum of **85% attendance in each laboratory course**.

1.2 A student with less than 85% attendance in a laboratory course shall not be permitted to appear for the practical examination of that course.

2. Make-up laboratory sessions

2.1 A student who misses a laboratory session for a genuine reason may attend a make-up session with the permission of the laboratory in-charge.

2.2 A maximum of **two make-up sessions** are allowed per laboratory course in a semester.

3. On-duty for technical events

3.1 Students representing the department in hackathons, coding contests and paper presentations approved by the HoD shall be marked on duty for the classes missed.

3.2 The on-duty credit for such events shall be up to **10% of the total classes held** in the semester.

4. Project review schedule

Activity	Date
Project Review I	23 March 2026
Project Review II	27 April 2026
Final project review	19 May 2026
Department technical symposium (TechNova 2026)	28 February 2026

5. General

5.1 This circular is issued with the approval of the Head of the Department and applies to CSE students only.

5.2 Faculty shall maintain laboratory attendance registers and display the list of students below 85% one week before the practical examinations.

Dr. P. Anitha	Head of the Department, CSE
